The 354 attorneys in this report are the individuals clients think of—and turn to—first. Why? They service clients better than anyone and everyone.

Most attorneys are focused on building out the expertise and practice capabilities needed to tackle every client need. Relatively few focus on delivering the absolute best client service. Not just good, the absolute best. As in: **servicing the client better than anyone else.**

The BTI Client Service All-Stars is BTI's definitive annual guide to the attorneys commanding the attention of General Counsel and legal decision makers at large organizations. This is not your over-reported list of rainmakers, dealmakers, or power brokers. Instead, BTI went straight to the source—the client, the decision makers for legal services—to find out exactly which attorneys are truly influencing and changing the legal industry.

Turn the page to read why and who clients say are the best.

BTI CLIENT SERVICE ALL-STARS 2015

Now in its 14th year of publication, the BTI Client Service All-Stars is the gold standard used by law firms and corporate counsel alike to identify the attorneys best at serving clients.

BTI Client Service All-Stars are those rare, exceptional attorneys standing out above all others serving the most influential legal decision makers.

The 354 individual attorneys recognized in the *BTI Client Service All-Stars 2015* are the end result of nearly 320 in-depth, independent interviews with legal decision makers at the world's leading organizations.

The only way to become a BTI Client Service All-Star is for corporate counsel to single out an attorney for client service exceeding all others. No attorney can lobby to be added to list, there is no self-submission process, and law firms cannot provide names of clients to be contacted.

All-Star Scarcity:

THE 6 TRAITS OF A CLIENT SERVICE ALL-STAR

SUPERIOR CLIENT FOCUS

A BTI Client Service All-Star never forgets: **the client and the client's needs and goals come first.** These All-Stars completely understand the client's targeted outcome and provide custom, tailored services to best meet the unique and specific needs of their clients.

#1

INNOVATIVE THOUGHT LEADERSHIP

Innovators provide unique, creative solutions to drive a competitive advantage for their client's business. These thought leaders communicate an issue—and solution—first to clients.

#2

UNMATCHED BUSINESS UNDERSTANDING

All-Stars understand their client's business like no other attorney. Every conversation, action, and recommendation considers industry dynamics, business objectives, current events, and competitive pressures.

#3

LEGAL SKILLS

Legal skills are a minimum expectation clients have of their attorneys, but All-Stars exceed even the highest expectations placed on them.

#4

OUTSIZED VALUE

All-Stars deliver services above and beyond the call of duty. Their service and work make clients feel they are getting a deal—no matter what the price tag.

#5

OUTSTANDING RESULTS

All-Stars provide surefire solutions to risk-averse corporate counsel. Clients know they can rely on these attorneys in the most difficult of situations.

#6

354 ALL-STARS, 6 COMMON TRAITS.

Despite the number of personalities and varying expectations corporate counsel place on attorneys, there are, oddly enough, a great number of common characteristics shared by the attorneys singled out by clients as best.

The good news is most of these traits are skills one can learn over time. For attorneys striving to join the elite BTI Client Service All-Stars, excelling in these areas is the primary path to success.

CULTIVATING CLIENT SERVICE STANDOUTS

CULTIVATING FIRM-WIDE SUCCESS.

Of the 650 law firms serving large organizations, only 64 are home to more than one BTI Client Service All-Star: a truly elite group of standout law firms.

These firms demonstrate their firm-wide commitment to client service excellence. It is no surprise to learn every single one of these firms is also featured prominently in the *BTI Client Service A-Team 2015*—BTI’s definitive annual ranking of the law firms legal decision makers recognize for delivering the absolute best client service.

HOW TO BECOME A BTI CLIENT SERVICE ALL-STAR

1

INGRAIN YOURSELF IN THE BUSINESS—NOT THE MATTER
Institutionalize relationships to make yourself indispensable

Talk business to me.

Cloak all your recommendations and guidance in the context of the client’s business. Legal decision makers say business context most differentiates one attorney from another. As attorneys, the work demands understanding industry dynamics, current events, and competitive pressures. However, equal importance needs to be placed on business objectives and communicating with the client in terms they understand—and value (translation: speak in terms of business outcomes and impacts, along with your legal insights).

Think past the work.

The work is important, but is only one component of a successful relationship. Many attorneys are capable of providing effective counsel. Few focus on building the business relationship. Meet with clients twice or more a year to build your relationship in a systematic manner—discuss their changing goals, pressures they are feeling from their management, and offer new thinking or strategies for them to consider based on changes in external factors.

Teaching is the gateway drug.

Teach clients something they don’t know and will help them do their job better (or help them personally). No charge. Taking a step to prove you are invested in the client earns you their investment back.

7 STEPS TO ENSURE YOU DON’T GROW RELATIONSHIPS

1. **FOCUS ONLY ON THE WORK**
2. **DON’T ASK CLIENTS ABOUT THEIR BUSINESS OBJECTIVES**
3. **KEEP YOUR BEST IDEAS TO YOURSELF**
4. **RESPOND QUICKLY, BUT NOT AS FAST AS A COMPETITOR**
5. **DON’T TAKE THE OBVIOUS NEXT STEP WITHOUT BEING ASKED**
6. **AVOID OFFERING OPINIONS BEFORE BEING HIRED**
7. **ACT LIKE YOU ARE TRYING TO WIN THE WORK—INSTEAD OF ACTING LIKE YOU HAVE THE WORK**

STEP 2: ASSESS YOUR CLIENT RELATIONSHIPS

2 | **ASSESS YOUR CLIENT RELATIONSHIPS**
Be certain of which relationships need immediate repair and which are ready to grow

Invested clients behave differently.

Stated behavior often differs from actual behavior—particularly when it comes to clients. When asked if they would recommend a named provider, 85% of clients said yes. Later in the same study, when asked which providers they would recommend (without prompting them with the provider’s name), fully 45% of executives did not name the provider they said they would recommend earlier.

It’s the difference between what clients tell us they will do (many times so we do not force them to have an uncomfortable conversation) and what they will actually do in a given situation.

Building client investment isn’t just good for the client. Attorneys and law firms with higher levels of client investment enjoy:

- Higher growth
- Increased profits
- Greater client retention

Do You Know...

If your clients really think of you first?

How your performance stacks up against others serving your client?

If something you are doing is driving your clients crazy—even just a little?

How your clients rate you in the activities proven to drive superior relationships?

If your relationship is improving, declining, or stagnant?

Every professional whose client is invested in the relationship knows the answers to these questions and more.

STEP 3: IMMEDIATELY BOOST RELATIONSHIPS BY IMPROVING CLIENTELLIGENCE

3

IMMEDIATELY BOOST RELATIONSHIPS WITH CLIENTELLIGENCE®
Pinpoint your strengths—and weaknesses—in the activities proven to drive growth

BTI's 25 years of research pinpoint the 17 activities responsible for driving the absolute best client relationships. In essence, they are how clients define client service excellence and what clients expect out of the firms with whom they have the best relationships. The best-in-class performances in these activities are proven to drive superior financial performance.

There's only 1 way to determine if you are hitting the best-in-class threshold: ask.

Client feedback allows you to unequivocally pinpoint where you are excelling and where you need systematic improvements in your relationships.

The best feedback initiatives not only assess how you and your firm perform, but also look at the performance of the competitors also serving your clients. At the end of the day, what does it matter if a client thinks you are doing great, if a competitor is doing better?

BTI'S METHODOLOGY AND APPROACH

METHODOLOGY AND APPROACH

BTI's goal each year is to be objective and transparent in our rankings. The All-Stars is a data-driven ranking based solely on in-depth telephone interviews with leading legal decision makers.

Each year, BTI reaches out to a sample of legal decision makers at large organizations with \$1 billion or more in revenue. *BTI Client Service All-Stars 2015* draws on data collected in BTI's ongoing Annual Survey of General Counsel.

Participants are granted confidentiality at the individual and organizational level.
